

Meri Squares Dancing in November and December

Hi everyone:

Following our two trial dances with members, discussions with members and an Executive meeting, we have decided to offer one night of dancing per week at this time.

We will dance on Thursday evenings, November 18, November 25, December 2, December 9 and December 16, 2021 at Westminster Presbyterian Church, 470 Roosevelt Ave, from 7:30 to 9:30. Please enter by the front door.

All participants must be double vaccinated, show proof of vaccination and ID, and wear a mask while dancing and socializing if they are unable to maintain a 2-metre distance. In general, at the two trial dances, people kept their masks on at all times. Everyone indicated that dancing with a mask was NOT as difficult as they expected. We encourage all members who are comfortable gathering to consider coming out and giving it a try.

Meri Squares will also be informing other club presidents that we have resumed dancing and welcome members from other clubs if they wish to attend. Everyone must meet the entry requirements mentioned above and be prepared to sanitize their hands on entering and leaving a square. No refreshments will be served.

We will be dancing primarily at the Mainstream and Plus levels with some full Basic tips if this level of dancer attends.

Cost per night is \$10. You do not need to pre-register. Just come dance!

December 16 will also be a night where we encourage those members who do not feel comfortable dancing in masks to attend and just enjoy the company of fellow Club members. More on this later.

Those members who have been dancing are really enjoying the company and the dancing. Please join us if you are ready! And bring your friends. No new dancer recruitment yet, but all current dancers are welcome.

See you soon.

Lamar Mason
President
